Female Golfers Have (Had) Fun

Funniest things that women will do (I thought I had dreamt it, but no it was true). We came to the party with mighty queer hats. Inverted pumpkins, and some, paper sacks. And would you believe it, that one woman did wear a miniature golf bag on top of her hair! Not one model looked a bit like another's. Bird's nests, cake pans, and Mix-master covers. One golfer was there complete with a "green." There was one made of broadloom styled like Davy Crockett. Then there was another, much like a space rocket. For decorations anything went. The local merchants, their wares gladly lent. Golf balls, chore girls, even vitamin pills. I'm telling you, some of those hats were real "dills." So here's to the ladies of local golf fame. The party was fun -- I'm glad that I came!

The above best describes the final "do" of the local club when the members gathered together Wednesday evening at the home of Mrs. Len Berscht. Entertainment was arranged by Mrs. Rod McKenzie. Mrs. Calvin Shannon and Mrs. George Thuring. The President, Mrs. Sam Devine brought the evening to a close with the presentation of prizes. Club Championship -- Silver division, Mrs. J. Currie; Silver consolation, Mrs. George Thuring; Bronze division, Mrs. Wm. McFarquhar; Bronze consolation, Mrs. C. Shannon.

Round Robin -- Mrs. S. Devine. Ringer competition -- Mrs. J. Currie. Hidden Hole competitions -- Mrs. Helen McNichol; Mrs. Helen McKean. Novelty competitions -- Mrs. George Thuring, Mrs. Nancy Freeman, Mrs. J. Currie, Mrs. Al. Allen, Mrs. Helen McNichol, Mrs. Nancy Freeman. Tombstone competition -- Mrs. Jay Tuglie. Medal play -- Mrs. J. Currie and Mrs. Jay Tuglie. Putting competition -- Mrs. Helen McNichol.

Prizes were specially designed glass tumblers and some members have a very nice collection. Special thanks to Mr. Wm. McFarquhar for his gift of South Seas silver spoons and golf balls.

Notes From D.J.

Substitute milk feeding in raising calves is becoming more practical and successful.

On farms where whole milk is sold and it is impractical to provide calves with skim milk, it is expensive to continue liberal feeding of whole milk. On other cases where calves are being raised, which have been purchased, milk may not be available for feeding.

Calves can be successfully raised with "milk substitute" products and suitable concentrates. These milk substitute products all contain some skim milk or buttermilk powder and can be used to replace all or part of the milk usually fed.

It has been found in experiments that it is economical to ship milk and feed these products. These products are often fortified with vitamins and antibiotics; scours as well as other calfhood disorders seem less noticeable.

Following the feeding of these milk substitute products, commercial calf meals are available on the market. These are very suitable for calves after they are three weeks old; they contain milk powder, grain, mineral and by-products. A good calf meal will have 25% protein and not more than 4% fibre.

These above mentioned products are usually mixed with water and fed to the calves as a gruel. They do not replace hay and grain, they are substitutes for milk, other feeds are fed the same as if calves were on milk.

Milk is the natural and an excellent feed for calves, but new substitutes and meals can be used successfully in raising good calves.

Mr. R. Bieber, Mrs. Konsehl and Mrs. Mel Smith were all down to Calgary to attend the teacher's convention.

HALLOWEEN NIGHT COLD -- BUT GOOD

The goblins and witches were out in full force Monday night despite the extreme cold weather. Trick-or-treat makes sense to us on any Halloween night; damage done was very slight in most cases, but we do think that those responsible for tearing the steps from the entrance to one of our local churches should feel very ashamed of themselves.

Fun we can go along with at any time -- life isn't long enough to get it all in -- but destruction of property, sacred or not, doesn't fall in line with our ideas. We might ask those who were responsible if they were intelligent enough to read this short script -- did you have fun?

She was born in Emley City, Michigan in 1885. She married August Nettany December 13, 1904, moved to Alberta in April 1908, homesteaded in the Cremona district and later moved to Olds.

Leaving to mourn are five daughters: Mrs. Beatrice Oliver, Elkton; Mrs. Grace Coleman, Cremona; Mrs. Beattie Morash, Calgary; Mrs. Ida Gray, Westward Ho; Mrs. Edith Smith, Calgary. Two sons: Walter and Albert. 20 grandchildren; seven great-grandchildren.

Students And Adults Enjoy 'Julius Caesar' Play Tuesday

The Lancaster Theatre Co., sponsored by the Didsbury High School Students' Union, thrilled two large audiences on Tuesday with their splendid performance of Shakespeare's Julius Caesar.

In spite of the non-cooperation of the weatherman, almost the entire student body of the high schools from Olds, Carstairs, Sundre, Carleton Place, smaller centres, as well as Didsbury's own students, filled the auditorium at 2:00 p.m. The towns of Trochu, Huxley and Three Hills telephoned to say that they were unable to make the trip.

At the evening performance, Didsbury and district citizens turned out about 300 strong to enjoy thoroughly two hours of high calibre acting by a professional cast of nine or ten experienced Shakespearean actors.

It is difficult to single out any one character for praise but Tom Luce as Cassius, Bud Slater as Marc Antony and Alan Chellou as Brutus, are all deserving of high credit for the realism they gave to their parts.

The Didsbury High School Students' Union embarked on a bold venture in making the necessary guarantee to bring this troupe to Didsbury. They wish to thank the public for their splendid co-operation and to report that all guarantees were met and even a small balance of profit realized.

High School News

By High School Correspondent

Plans are being made for the publication of the first 1955-56 high school paper call "Sahaka." As the name implies, it sees all, hears all, and knows all. It was first published in 1935 and has been carried on as an extra-curricular activity in the high school ever since.

To supervise or carry out the duties of publishing a paper, an editor and her staff have been elected. They are as follows:

Editor: Mildred Neufeld, assistant editor: George Summers; Art editor: Mary McDonald; sports editor: Cliff Miller; circulation manager: Robert Makim.

To make Sahaka a success everyone must do their share of the work and not let the lead fall on a few. Therefore it is hoped that everyone will co-operate with the editor and her staff and make Sahaka for the coming year the best ever.

There is one more thing that I must bring to your mind and it is that last Thursday and Friday was Teachers' Convention.

For the students the convention provided a few more days holiday during which they did not have to leave away at school.

For the teachers it also provided a change from school routine and gave them a chance to talk over their problems with other teachers. From the student point of view, the teachers' convention is one thing that should be expanded in the future.

Mrs. R. Moore and Brian and Mrs. J. Howton were dinner visitors of Mr. and Mrs. Earl Loughed on Tuesday.

Miss Carol Clark spent Friday night and Saturday visiting with Lora Davidson.

The mothers of the district attended the Halloween party at the school Friday afternoon. A programme was put on by the children which proved very interesting.

Games were then played after which a bounteous lunch was served.

Mr. and Mrs. Eddie Adams and family entertained Mr. and Mrs. C. B. Moore for dinner and the afternoon on Sunday.

Mrs. George Admussen spent the past week visiting relatives in Calgary returning home on Friday night. We are sorry to hear Aunt Nell Tedford is not feeling too well and hope she will be feeling fine again soon.

All available men were called upon last week to help out the fire on Mr. Tryve Halvorsen's farm. The fire worked its way down into the peat and when the high wind came up it whipped the smoulder into flames in only minutes. Every man around rushed to help and finally got it under control. Luckily not much damage was done.

A Halloween party was held at the Eggle Erickson home Friday evening with a goodly number in attendance. The evening was spent in games and fun and closed with lunch being served.

Mr. and Mrs. Earl Loughed and children spent Thursday at the Adams home at Water Valley.

Wishes for a quick recovery go out to Mrs. Ratcliffe who is in the Olds Hospital.

Relations from Calgary visited Bill McCormick recently.

Congratulations go out to Mr. and Mrs. Mel Edmister on the birth of a son. Mr. and Mrs. J. Howton were Sunday visitors at the Bob Moore home.

Master Ricky Admussen spent last week at the Kynel home, while Allan and Elaine stayed with Grandma Admussen.

Chances are you get a "helping" of aluminum as part of your daily diet. Most cities use aluminum sulphate to purify the water from lakes and rivers. Ostawa, for instance, has used it for this purpose for 35 years.

Usually, however, aluminum is associated with the outside of foods. In cooking utensils, cups and frozen food containers—in wrappings for cakes and candy and roasts and left-overs—in bottle tops and hoods—aluminum helps keep what we eat and drink fresh and pure and wholesome.

SHOWER HELD FOR MISS EVELYN WILKINS

Miss Evelyn Wilkins, November bride-elect, was feted at a shower Wednesday evening, October 26th, when 24 ladies of the Rosebud district gathered at the home of Mrs. George Mullen.

The ladies were required to bring a photo of themselves (or facsimile), and to show their artistic talent, and the combination of these two provided quite a bit of amusement. The evening was spent in making a bride's book, which proved to be highly entertaining.

The gifts were presented to Miss Wilkins on a miniature low-boy, pulled by Keith Mullen. Mrs. Owen Wood assisted the bride-elect in opening the gifts, after which Evelyn graciously thanked her friends for their good wishes.

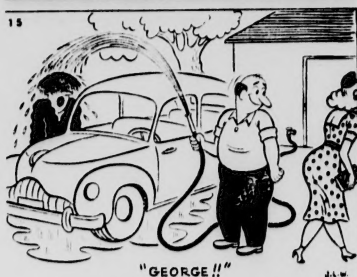

The hostess, assisted by Miss Maryanne Wilson, and Miss Adrienne Scheidt served lunch, bringing to a close a very pleasant evening.

NEW ADDITION FOR RED LODGE PARK

A new addition to the facilities at Red Lodge Park has been added in the way of an extra-large kitchen, which, it is hoped by Red Lodge officials, may be kept in reserve to handle large scale picnics at the park.

Red Lodge Park now boasts many fine facilities. Two other kitchens, rest rooms, playground equipment, sports ground, a paddling pool and other features which are fast making the park one of the most popular provincial parks in Alberta.

Upon estimates taken during the summer months Red Lodge Park has been visited by crowds reaching as high as 3,000 persons on several occasions as well as having other exceptionally large numbers of picnickers attend on every Sunday and throughout the week.

Several noted bands have been featured as entertainment on various Sunday afternoons and the park has become the favorite spot for many community picnics for Bowden, Olds and Innisfail as well as other nearby towns.

LONE PINE ORIOLES HOLDS REGULAR MEETING

The Lone Pine Orioles Girls Club held their regular meeting at the home of Joyce Schumaker on October 21st with 16 members and two visitors present.

The meeting opened with a singing and the creed.

Roll call was answered by wearing a halloween costume. These costumes were judged and prizes were given to Judy Marsh for seniors and Donna Cippert for juniors.

Being the vice-president left the club Heather Marsh was nominated as new vice-president.

A very interesting report on "Ed-quette on the Street" was given by Joyce.

The "Bit of Fun" was won by Joyce Schumaker which was a relay.

The 10¢ draw was won by Roy Mine.

Marilyn Ziegler was welcomed in to the club as a new member.

The evening closed by singing "God Save Our Queen."

JACKSON W. I. OCTOBER MEETING

The Jackson W. I. ladies at the October meeting held at the home of Mrs. A. Robertson.

Roll call was answered by everyone giving a compliment to the person on their right.

Mrs. R. Hallett gave a report on the plans that had been made for the supper to be held soon.

The five minute talk was conducted by Mrs. C. Davies who spoke on a trip she had made to Jerico when nursing. She passed out several interesting pictures taken at that time.

A report was given by Mrs. J. Ray on the blankets ordered from Fairfield's Blanket Co. Several premium blankets were sold at the meetings with proceeds being put in the treasury.

Mr. Hallabovich from O.S.A. gave a very interesting talk on landscaping and the right way to plant and arrange shrubbery.

Two psychiatrists met on the street and one said to the other: "You're fine, how am I?"

YOUR BLOOD IS NEEDED — NOW !!!

Out of 100 donors there is an average of 46 O Group; 40 A's; 10 B's and 4 AB's. Of these 85 have Positive blood, and 15 Negative blood. Of the Negatives there are an average of 7 O's; 6 A's; 1 B's and 1 AB. You can readily see that it is necessary to keep donations up to a high figure all the year round in order to have all types of blood groups available at any time. Your blood group is needed at the clinic in Didsbury on November 17th.

The reason ministers never buy second-hand cars is that they don't have the vocabulary to run them.

A fellow went up to the gate of a nudist camp on a chilly day and asked to be admitted.

The guard looked at him and said: "Nothing doing, my friend, this is a nudist camp and you can't come in here with that blue suit on."

"That's" said the visitor, chattering, "This ain't no blue suit I'm cold."

"Now son," said the infuriated father, "Tell me why I punished you."

"That does it," said Junior, "First you beat me, and then you ask me why you did it!"

A good golfer has to break 80—but a chorus girl only has to bust 36.

Wife in defense of her husband: "Nonsense, my husband wouldn't chase after another woman. He's much too fine, too decent, and—too old."

A mixed group was discussing beauty and women. "I think the most fascinating thing about a woman is her lips," said one man.

"I don't agree," said another. "I think it's her hair."

"Not at all," said a third, "it's her eyes."

A lady in the party sniffed, elevated her nose sharply and said, "I'm going to get out of here before one of you boys tells the truth."

Ever hear the story of the bowlegged cowgirl? She had trouble keeping her calves together.

SPRINGSIDE NOTES

Billy and Betty Taylor are staying with their grandparents Mr. and Mrs. Bill Collins.

Mr. and Mrs. Vern Wrigglesworth were Calgary visitors on Thursday. Nine members and two visitors met at the home of Mrs. Eric Nelson. One of the visitors Mrs. Roy McArthur won first prize in the contests. Winners of the second and third prizes were Mrs. Roth and Joyce Wrigglesworth.

Next meeting will be held at the home of Mrs. Lawrence Chandler on November 15th.

Mr. and Mrs. Art Chamberlain Jr. were Calgary visitors on Tuesday.

Neighbors of Lloyd Kershaw were surprised to see two threshing machines working in a 17 acre wheat field last Saturday.

Mrs. Phyllis Sitter was a Calgary visitor on Thursday.

Ramblin' . . .

SEEMS TO THIS CORNER it's about time to have a final decision made on our pet topic — the future operations as regards the Memorial Arena.

SEEMS TO THIS CORNER it's about time to have a little more information on the pre-election promises of the provincial government. Yes — we mean the promised hard-surfaced road in to Didsbury from the main No. 2 highway.

SEEMS TO THIS CORNER a few more stop signs at some intersections in town, especially those where garden hedges block the view, would be in order.

SEEMS TO THIS CORNER that Olds Elks Hockey Club, or was it the Central Alberta Hockey League, made a complete about-face when it came out last week that the antlered crew would again compete in the northern circuit this season.

SEEMS TO THIS CORNER it's about time the news-mongers allowed Princess Margaret to live her own life. All the foolish radio and newspaper publicity about her reputed romances is getting a little tiresome.

SEEMS TO THIS CORNER, from rumors overheard, there's a "Peepin' Tom" operating in Didsbury. Where he's peepin' and what he's peepin' at are still a mystery to us.

SEEMS TO THIS CORNER we were seeing flying saucers around these parts Saturday morning. We admit our mistake — it was just a tractor on a local lot throwing up smoke signals.

SEEMS TO THIS CORNER it's time the Saturday night Bingo games were resumed. We need some more of those prizes around our house.

SEEMS TO THIS CORNER an upside down flag has disappeared from the flag pole of a local public building.

SEEMS TO THIS CORNER the sidewalk is still far too high in at least one down-town area. Frayed nerves and banged up bumpers are the result.

SEEMS TO THIS CORNER the cost of living is going up again as far as we are concerned — newsprint up \$5.00 per ton.

SEEMS TO THIS CORNER, after the above observation, that we'd better stop now — we're using up too much newsprint. (We might mention we are of Scotch descent.)

W.I. Executive Holds Meeting

Mrs. Harry Richardson held her first W.I. executive meeting in Didsbury on Saturday with Mrs. A. Huchies as her secretary. Mrs. H. Swanson, Mrs. E. Oehlhausen, Mrs. H. Fisher and Mrs. K. Swanson also attended from this district.

Mr. and Mrs. John McNaughton and girls have taken over the farm of Alex Stewart's. We welcome them into our district and hope them success in their new home.

Mr. and Mrs. Bert Richardson of A. C. are visiting with the former's mother, Mrs. E. Richardson, and other relatives in the district.

Mrs. E. Hunter visited over the weekend with Mrs. C. Swanson.

Mr. J. Hunter and family and Mrs. Jeddham were Sunday dinner visitors with the former's sister, Mrs. H. Swanson and family.

Mrs. H. Swanson, Alma and Robert are Sunday evening callers on Mr. and Mrs. Milo Stearns and family. Garry Swanson spent the week-end with Delbert Taylor.

WESTCOTT NEWS

(intended for last week)

Mr. and Mrs. W. V. Lawrence of Oaklund, Calif., who have been visiting with relatives in Alberta for the last three months left the first of the week for their home. The Lawrences are relatives of the Papke family.

Mrs. Allen Korschuh let school out earlier on Friday last so that she could attend a funeral in Calgary. We understand that Albert Korschuh's were also in attendance at the funeral.

Mr. and Mrs. Lyle Johnson and son spent the weekend with Mrs. Johnson's parents Mr. and Mrs. Herb Goetjen. Mrs. Johnson and son are spending the week here while Mr. Johnson returned to Botha.

Mr. Charles Brown received word on Sunday morning of the death of his uncle at Vulcan. He will attend the funeral on Wednesday.

Word was received too by the Henry Wislaussen family of the serious illness of Mrs. Don Armas of Calgary. Mrs. Wislaussen's sister-in-law.

Harvesting is all completed in this area and the good weather continues and hope the good weather continues so farmers can do up the other fall work.

Mr. and Mrs. Herbert Goetjen spent Sunday evening with Mr. and Mrs. Raymond Armstrong.

She: "I'm looking forward to my twenty-third birthday."
He: "You're facing the wrong way."

SERVICE BOARD NOTES
By **W. K. SNYDER**
Agricultural Service Board

RANGS' VACCINATION: The fall drive for the purpose of vaccinating all heifer calves between the ages of 4 to 10 months inclusive is now underway. It always is a little slow in getting started in the fall since farmers want to clean up the last of the harvest and fall work first. Some prefer to wait until the time they wean the spring calves before vaccinating them.

As far as the health and comfort of the calf is concerned it is better to vaccinate them before they are weaned. Frequently we see calves that have been taken from their mothers subjected to vaccinations, dehorning and getting adjusted to the new life of living without their mothers. This treatment sometimes works a hardship on the calves and could be much better if it were done before weaning time. We are doing our best from this end to organize the work. The local township captain is doing his best to carry out the work in his immediate area. The veterinarians are doing their best to administer the actual vaccinations. If you the cattlemen will continue to give your usual cheerful cooperation, we will again accomplish what we set out to do — the vaccination of all heifer calves against the dreaded Bangs' disease.

CHANGING FOOD TRENDS

From 1950 to 1953 cereal consumption in Canada decreased from 172.8 lbs. per person to 162.3 lbs. Potatoes consumption dropped from 191 pounds to 158 pounds. Fruit consumption increased from 182.9 lbs. to 218 pounds and meat consumption from 133.7 pounds per capita to 143.3 lbs.

WEDDINGS

SMITH - SHULTZ

In the presence of relatives and friends on Thanksgiving Day, October 10th, Donna Marie Smith was united in Holy Matrimony to Lyle Vincent Shultz at a 5 o'clock ceremony in St. Joseph's Church, Cowley, Alberta. The bride is the second daughter of Mr. and Mrs. Joe A. Smith of Lundre, Alberta, and the bridegroom is the youngest son of Mr. and Mrs. W. P. Shultz of Didsbury, Alberta.

The double-ring nuptial rites were performed by Rev. W. J. Krawak, assisted on the altar by the brothers of the bride, the Messrs. Keith and Eric Smith. The wedding music was played by Mrs. J. Diamond of Cowley, and during the signing of the register, the choir sang "Pans Angelus."

The bride was given in marriage by her father. Her gown was a strapless model in white nylon-net over satin, featuring a bouffant skirt of embroidered nylon, and net with matching elbow-toile. Her finger-veil of scalloped illusion net fell from a coronet of pearls and she carried a colonial bouquet of white and red roses.

The bridesmaid, Miss Myrna Smith was her sister's only attendant. Her gown of buttercup yellow net and lace featured a hooped skirt and matching lace bolero. She wore a tiara of frosted nylon in her hair and carried a colonial bouquet of yellow and bronze chrysanthemums.

The best man was Mr. Kenneth Shultz of Didsbury, brother of the bridegroom. Mr. Donald Shultz, ushered the guests.

The bride's mother was attired in an afternoon dress of lacquered satin in silver tone with pink accessories and corsage. The mother of the bride-groom chose an afternoon ensemble in pastel blue with navy accessories and pink corsage.

Following the ceremony a reception was held at 7 o'clock in the Lundre Hall. The lace-covered buffet table was centered with a three-tier wedding cake set in a bed of yellow tulle with yellow tapers in crystal candelabra and autumn flowers. The toast to the bride was proposed by Rev. Fr. Krawak, to which the bridegroom responded; the toasts to the bridesmaid and to the grandparents of the bride were proposed by Mr. Max Pharis of Cowley and Rev. Wm. Leonard of Twin Butte, respectively.

For the wedding trip to Banff, the bride changed to a box-suit in moss green with accessories in pine-green and copper and corsage of copper-

Out-of-town-guests included Mrs. I. M. McIsaac, Jean and Earl, Mr. and Mrs. J. H. Connolly and Mrs. M. Milvain all of Calgary. Mr. and Mrs. W. P. Shultz, Donald and Kenneth of Didsbury.

The couple will make their new home in Didsbury where the groom is engaged in farming.

The sweet young thing asked me if I could tell her how to play golf. "Sure, it's easy enough," I told her. "All you do is smack the pill and then walk." "How interesting," she replied, "Just like some of the auto rides I've been on."

Agriculturalists, and over 100,000 prairie farmers, have learned from experience that fertilizing means better farming and bigger profits. Besides increased yields, farmers who fertilize reap additional benefits in earlier harvesting, improved quality, and control of weeds. M.V.B.C. NEWS

(From Our Own Correspondent)

The Revival meetings held on the Campus have closed, but the churches participating will not soon forget the powerful messages from the Word of God that were delivered. The ministers themselves will be able to serve their people better, because of them. Rev. Brunk will be starting another series soon in the middle States.

The Gospel Service League is beginning to function again under the leadership of Clifford Baughman who is taking his B.S.L. course this winter. Several male quartettes have organized and will be available, as well as teams that will answer calls from churches from now on.

Mr. Ormand Sherick and Miss Marlene Sherman are working with the College choir until arrangements can be made for an instructor. Ormand is doing well, and his choir sings with interest and fine interpretation. Of course, his church choir is handled with the same fine results. This young man has begun his College work this year, although he has taken several years in voice and music subjects, as well as piano work in which he is much interested. We appreciate his endeavor while we are in difficulty due to Mr. Widmark's illness.

President Taylor has left for Ontario to attend the General Conference of the United Missionary Church in Kitchener, Ontario. Mr. Taylor, along with Ina Stauffer, is a delegate, and will support the District Superintendent, Rev. H. A. Traub, in the deliberation of that body. He will be gone the entire week. Some of the teachers are substituting in his classes.

Mrs. Marie Kagey, Dean of Women, celebrated her birthday on Saturday. In fact she didn't know she was going to do so, until her girls of the dormitory over which she presides, met her in the evening, presented her with a beautiful bouquet of mums, wished her a happy birthday, and had lunch. It was a real surprise, but Mrs. Kagey was well worthy of just such an event.

Mrs. M. K. Snyder substituted for Mrs. Arthur Eby in the kitchen for a couple of days. She seemed to enjoy the work very much, and we appreciated her coming to us.

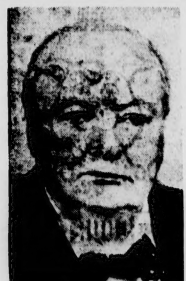

A number of outside folk have enrolled in Rev. Bob Simpson's classes in Evangelism and missions. We are happy to welcome them, but we feel that many more should avail themselves of this great opportunity.

The young people of the campus, and others who come occasionally, are respecting the request that they do not play ball or any games near the apartment buildings. This is greatly appreciated by Miss Jean Burkholder who sleeps every afternoon there. She is on night duty at the hospital, takes her classes each forenoon, sleeps in the afternoon. All those playing on the campus at any time will appreciate knowing this so that they will not inadvertently awaken her from her much needed rest. Thank you, every one.

Mr. Earl Reimer, chairman of the Social-Recreation Committee of the College is doing a fine job in getting the students out for physical exercise. This takes the form of volleyball, baseball, ping pong, etc. Earl knows just how to do this, and soon after school opened organized a weiner roast at the "rocks" in which nearly all of the students took part. He seems to enjoy the work, and as such is a valuable member of the Students Council.

Within the next couple of weeks the Student Council will have election for all committees that remain to be organized in the fall of the year. Mr. Clifford Quantz is President of the student body this year, and has been on duty as such since the very opening of school. He is alert to student needs in this respect.

The College has received contributions of apples and plums from B.C. friends. We are most grateful

FIRST RECIPIENT of the new Williamsburg Award for outstanding achievement in advancing basic principles of liberty and justice will be Sir Winston Churchill. Award consists of an honorarium of \$10,000 and a town crier's bell and was established by trustees of Colonial Williamsburg in Virginia.

CHRISTIAN SCIENCE

Man's true nature as a child of God will be set forth at Christian Science services this Sunday.

The Lesson-Sermon on the subject "Adam and Fallen Man" will include the account of Christ Jesus' healing of the man "which had a spirit of an unclean devil" as recorded in Luke 4:34.

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: (259:6) The: "The divine nature was best expressed in Christ Jesus, who threw upon mortals the true reflection of God and lifted their lives higher than their poor thought-models would allow, thoughts which presented man as fallen, sick, sinning, and dying."

The Golden Text is from Ephesians 1:8: "Ye were sometimes darkness, but now are ye light in the Lord, walk as children of light."

It wouldn't be so bad if a man had as much fun when he went out as his wife thinks he does.

Our age is being forcibly reminded that knowledge is no substitute for wisdom. Far and away the most important thing in human life is living it.

— P. R. Barry

for these, and trust each of the donors get the Pioneer so that they can read this public announcement of their kindness to us.

That reminds me: We do appreciate the space the Pioneer has given us for our column each week. When we forget to send it in on time, there is always a gracious reminder from the office, which we appreciate. After all, we may have a small paper, but many people we meet speak to about some item that has appeared in our column, and should the people of this community ever have to do without the paper we would feel quite lost. So, we like to help a little in this way.

Dear Customers:-

We are not advertising any specials this week (although we have lots of them). Incidentally, compare our prices on everyday items, veterinarians supplies and prescriptions. You will then realize that they are the same and in a lot of cases lower than anywhere in Alberta.

Our store hours are 8:30 to 6:00 p.m., on Monday, Tuesday, Thursday and Friday. Wednesday hours are 8:30 to 12:00 and 2:00 to 5:00 p.m. Saturday hours are 9:00 to 9 p.m. We are one of the few stores in Alberta that give service Wednesday afternoons. Only the "boss" works but we are open. Always on call after hours. If my wife doesn't know where I am the telephone operator does.

We might mention that we do appreciate your business.

Little Items of Local Interest

Mr. and Mrs. Engel have taken up residence in the Alf Studer home.

Mrs. R. Eubank and son, John, were visitors in Stettler with the former's father, recently.

Mr. and Mrs. Wm. Cowan and family were weekend visitors with the former's mother, Mrs. M. Cowan of Saskatoon.

A number of business men gathered at the home of Mr. and Mrs. T. Morris Friday afternoon last to honor Mr. Alf Studer prior to his departure for Vancouver. Mr. Studer was presented with a purse.

Mrs. J. Freeman was a weekend visitor of her brother and family, Mr. and Mrs. T. Girdale of Okotoks.

Mr. and Mrs. Walter E. Schmidt motored to Banff on Sunday where Walter addressed the farm girls and boys on Monday, who are attending the Leadership Course at the Banff School of Fine Arts.

Miss Adrienne Scheidt was a visitor in Calgary last Sunday.

Would the various sewing groups who have had Red Cross out since last spring, please return finished articles to Mrs. E. Cogswell, phone 227, so that goods can be shipped not later than December first.

A special service to receive Mr. Kenneth William Morris, as a candidate for the ministry of the United Church will be held in Knox United Church, Didsbury, Sunday evening.

KNOX EVENING GROUP SET BAZAAR DATE

The Evening Group of Knox United Church W. A. met October 24th at the home of Mrs. P. Andrews with 14 members and one visitor present. The annual bazaar date this year is Saturday December 3rd. Members were reminded to have their articles ready for the November meeting.

Mrs. J. Shannon gave a paper on "Christian Stewardship." Mrs. H. Roberts gave a very interesting report on Civil Defence Work, as she had attended the Civil Defence School held in Edmonton recently. The meeting closed with the Devotional topic "The Bread of Life" given by Mrs. B. Johnson.

A delicious lunch and social hour brought the evening to a close.

MOUNTAIN VIEW BIBLE COLLEGE OPEN HOUSE — NOV. 11

Once more the College is opening its doors to the public on the occasion of its annual Open House. Preparations are under way and we are inviting as many as possible can from the community to attend. You may never have had the privilege of having the students guide you through the buildings, explaining them, etc. Why not do so this year?

On November 11 from 8 p.m. to 10:30 p.m. there will be guides to take you through; lunch for you in the dining room, and a program of interest to entertain you. The Faculty and students extend to all who wish a hearty invitation to come and bring some one with you.

LIGHT YOUR WAY WITH BIBLE STUDY

A stranger passing a large mine in Pennsylvania asked a little boy why the field was full of mice. "These mice are worked in the mine during the week," replied the boy, "and are brought up into the light on Sunday to keep them from going blind."

Do you "come up" on Sunday — up from the worries, the struggle and the confusion of the week to let the light of God's Word shine into your heart? Or do you spend your Sunday "down in the mine" where you spend your Saturdays, your Mondays, and your Tuesdays?

After a week of failure, and fumbling and sinning, there is no experience more glorious than the divine assurance of God's minister: "Be of good cheer, thy sins be forgiven thee." Matt. 9:2.

After a week of trial, worry and disappointment, there is no greater lift than the promise from the lips of God: "I will never leave thee nor forsake thee." Heb. 13:5.

After a week of stumbling and groping there is nothing more reassuring than an hour spent in the company of Him who said: "I am the Light of the world. He that followeth Me shall not walk in darkness, but shall have the light of Life." John 8:12.

Saturday has no sorrow which Sunday cannot heal — if — Sunday is a day of worship, prayer, and praise.

We've answered your question. "Why Go to Church?" Now we ask, "Why not go to Church?" How about next Sunday.

ZELLA NEWS NOTES

(From Our Own Correspondent)

Mr. and Mrs. Edward Waldriff are receiving congratulations in the adoption of an infant daughter, Linda Anne.

Mrs. Bill Egrens and daughters were hostesses for a Stanley Tea on Wednesday evening when Mrs. Lorraine Coultis of Sundre demonstrated.

No doubt people are wondering what a Quiz party is. The item in last week's Pioneer should have read A Quiz party at the community centre Friday evening, November 4th with Mrs. J. Hansen and Mrs. A. Waldriff as co-hostesses. Everyone welcome.

Choral Society Plan Fall Program

The executive of the Didsbury Choral Society met Monday evening at the home of Betty Reid, to discuss general business and set a date for the commencement of this year's meetings.

A was decided that the Society would start this year with the first meeting to be held in the Bible College Chapel, on Monday evening, November 7th at 8 p.m. All past members, and any new ones who would be interested, are urged to attend.

The executive felt that the songs this year would be kept as simple and pleasant as possible, in order that the members would not feel that they were beyond their ability to render them.

A social gathering will be held following the meeting, we would be pleased to see YOU there.
